

Mission Experiences

Our world seems much smaller today simply because we are much more aware of the needs all around us - both near and far and places in between. We have been imprinted with the image of God and His reflection can be seen in our desire to give and help others.

Many of our local churches, youth groups and even our District have sponsored mission or work-camp experiences for young, middle-aged and older adults alike. It is an opportunity not only to become sensitive to the struggles of others, to learn about another culture other than our own, but also to become better known to one another as we work together.

We offer the following resources to those of you who might want to experience being in mission. Please let the District office know if we can help you in any other way. Also, send us any resources you have used so we can update the lists below!

Remember - **“The World is our Parish!”**
