UNDERSTANDING THE BOOK OF REVELATION

February 26 and 27, 2010

Dr. Robert Mulholland of Asbury Seminary

(Hosted by Grace United Methodist Church)

Seminar Description:

Our study will seek to understand John's vision by unpacking the meaning of his imagery for readers in the 1st century. This will put us in position to understand what John's vision says to us today. We will discover that John's vision is a call to radical discipleship, by living as faithful citizens of God's New Jerusalem in the midst of a Fallen Babylon world.

Our time together will:

- Help you read the Bible with new interest and confidence.
- Push you beyond current headlines as you interpret the Bible.
- Assist you in coming to grips with the *larger* story of the Bible.
- Give you guidance through the maze of opinions about the end.
- Challenge you to live the Christian life deeply and fully.

The Seminar Schedule and Costs:

Friday evening – 6:30-9:30 p.m. and Saturday – 8:30-3:30

*A detailed schedule will be available on our website and at the event.

Cost of seminar – \$20, includes: lunch, snacks, a copy of PP notes.

Early registration - \$15, by Wednesday, February 24

2010 CHURCH ANNIVERSARIES

One of the duties of the Conference Commission on Archives and History is to assist local churches in preserving their records, compiling their history and celebrating their heritage. We do this in partnership with the United Methodist Historical Society of Ohio (UMHSO). Annually, the UMHSO recognizes the Local Church Historian of the Year and churches celebrating significant anniversaries in both the East and West Ohio Conferences. Each conference commission is responsible for gathering nominations for the historian of the year award and the church anniversaries.

The Historian of the Year and the church anniversaries will be recognized at the next annual meeting of the UMHSO on April 24, 2010 at First UMC in Akron Ohio. At that time, the UMHSO will recognize as Historian of the Year for the West Ohio Conference, the person

selected and recommended by Commission on Archives and History, and also recognize churches of the conference which are celebrating significant anniversaries – 100, 125, 150, 175, or 200 years.

Please submit nominations for the 2010 West Ohio Historian of the Year and also to notify us if their church is celebrating a significant anniversary?

Nominations for historian, with rationale and supporting material, can be forwarded to me at the address listed below. The names of churches celebrating anniversaries can be sent to the same address or via e-mail (jbarbee001@insight.rr.com).

Thank you for your assistance in the recognition of those who are preserving the history and heritage of their churches.

Each year the United Methodist Historical Society of Ohio (UMHSO) recognizes local churches in the West Ohio Conference which are celebrating significant anniversaries of their founding. The recognition is for churches that are 100, 125, 150, 175 and 200 years old. Those churches celebrating anniversaries will be recognized with a certificate at the UHMSO annual meeting on April 24, 2010 at First UMC in Akron Ohio.

If your church is celebrating one of those anniversaries, please send the information to:

James R. Barbee, Chairman

Commission on Archives and History

2241-C Wesley Way

Reynoldsburg OH 43068

The submission deadline is April 1, 2010. If you need further information, please contact me at 614-322-1010 or jbarbee001@insight.rr.com.

Keys to Leading in Our Shifting Culture

February 9-11, 2010

Sun City, AZ

Do you ever feel like you might be getting lost in the storm of changes swirling around you these days? Many clergy and other church leaders feel the same way and they want to come out of it heading in the right direction, and successfully lead their churches to their destination in the kingdom of God.

At Willowbrook UMC in this suburb of Phoenix, we will have three outstanding speakers

who are forging powerful understandings of our culture today and how to lead our faith communities in these changing times.

George Barna, Phyllis Tickle and Walt Kallestad, along with a host of other supportive speakers, will bring us information and insights we desperately need to make sense of our roles as leaders of the faith today. This is a powerful three-day conference that can be life changing. Though it was created for church leaders, it will be helpful to anyone who wants to better understand the changing times we are living in.
